New Rochelle Fund for Educational Excellence

22nd Anniversary Foundation Awards Gala

CANCELLATION

nrfund
New Rochelle Fund for Educational Excellence

Safety matters most, so we simply had no choice...

Due to the public health concerns related to the COVID-19 virus, the NR Fund is, with a heavy heart, canceling our Foundation Awards Gala, our biggest annual fundraiser. We will be back in touch to let you know the date of our 2021 Gala, which will again take place at the beautiful Surf Club on the Sound.

Of course, the Fund's important work, which our Gala helps to finance, continues at full speed. **It's Fund Business as Usual!**

Forging ahead into next fall, we're gearing up for our annual roster of Fund events, and especially preparing for our 4th cycle of NR Fund Grants, which are offered to all New Rochelle Public Schools.

This year we distributed grants totaling more than \$30,000, and we hope to increase that amount next year so that we can reach even more students! The projects our grants currently support include: science research, mindfulness training, theater arts in the middle and high schools, Black History Month, the Hudson Park Children's Greenhouse at Trinity School, chess in schools, the NRHS Robotics Club, My Brother's Keeper/NR, music education and more!

While this year there will be no champagne toasts, speeches or exciting auctions, our need for your financial support is as vital as ever to serve our continuing mission – to enhance and enrich the journeys of New Rochelle's 11,000 public school students.

We ask that you continue to support the NR Fund during these uncertain times.

DONATE HERE in lieu
of our traditional Gala
