

Upcoming SAT/ACT Group Classes at New Rochelle High School

Presented by  **nrfund**
New Rochelle Fund for
Educational Excellence

The tests are standardized - Applerouth's approach is anything but. In these interactive classes, you will hone the test-taking strategies necessary to master the test. Your tutor will use class data from practice tests to tailor each session to your group's needs.

In order to secure classroom space and instructors,
students must register for their desired class no later than Tuesday, January 31st.
